 - You can consult the list and location of our LeasePlan entities [here](#).
 - You can download a copy of our Binding Corporate Rules [here](#).
- **To our third-party service partners, providers, to facilitate services they provide to you and us.**

Car dealerships or suppliers of (electric) vehicles may require contact details of a driver to activate a personal account necessary to be set up as a driver, otherwise the vehicle does not work.

Service Providers are companies we retain that support us in running our business, for example to help us maintain our IT network and related infrastructure, security and access controls to our premises, and debt collection and recovery agencies who work alongside our finance teams to help us assist you with any payment issues that may arise.

We also use and disclose your personal information as necessary or appropriate, especially when we have a legal obligation or legitimate interest to do so:

- **To comply with applicable law and regulations.**
 - This may include sharing information with Credit Reference Agencies and Fraud Prevention Agencies. Please see the relevant sections above for further information and contact details for these agencies.

 - We have a legitimate interest in disclosing or transferring your personal information to a third party in the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with any bankruptcy or similar proceedings). Such third parties may include, for example, an acquiring entity and its advisors.
